

Dear Parents and Carers,

RE: RSHE Curriculum Consultation

As a part of your child's education at Langley School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know, on the week commencing Monday 27th June, your child's class will be taking part in lessons which will focus on the relationships and sex education (RSE) aspect of this programme.

Lessons your KS1 children will access will include:

Subject Area	Topic
My Body	Name body parts
	Keeping Clean
Keeping Safe	Out and about
	People who can help me
Friendships and feelings	Different emotions
	What to do if we feel sad
Relationships	Different families
Gender stereotypes/ Celebrating difference	Similar and different
	Toys
	Different bodies

PSHE education is taught throughout the school in every year group. Please visit the school's website: www.langley.bham.sch.uk for more details about our PSHE curriculum. All PSHE teaching will take place in a safe learning environment and is underpinned by our school ethos.

We would like to invite you to attend an online parent information meeting on Tuesday 21st June at 10am-10.45am **or** 16:30pm-17:15pm to find out more about what your child will learn, view the materials and resources being used in lessons and discover how you can best support your child

to discuss these topics at home. Please follow the link below to book a place for the online meeting:

As a school community, we are committed to working in partnership with parents. If you would like to find out more or you have any questions, we would urge you to attend the information meeting.

Yours sincerely,

Stephanie Parkes
