Safer Internet Day 2019

On the 5<sup>th</sup> February it was Safer Internet Day. All classes have completed a range of activities to promote the safe and positive use of technology.

## Oaks & Firs

Oaks talked about what games they like to play on the iPad. They then designed some of their own games.

## Rowans

Rowans class enjoyed learning about appropriate use of laptops and tablets. They also talked about how old you should be to play some games.

## Willows

Willows class enjoyed reading about the story of Buddy the Dog and then practised how to use tablets safely.

## Acers

Acers class looked at what they used tablets for. Then they shared a story about making good choices on the internet.

## Beeches

Beeches listened to a story and drew selfies. They then talked about what information you can and can't share.

## Cedars

Cedars class enjoyed reading the story 'Webster's manners'. They looked at what choices are good and bad when using technology.

## Maples

Maples class enjoyed reading a story and answered questions about it. They then discussed usernames and how to keep your personal identity safe.

## Larches

Larches class have created a set of rules for when using the internet based on a story they read.

## Poplars

Poplars enjoyed reading the story, 'Once upon a time online'. They acted out the story and discussed the importance of permission and consent.

## What is safer internet day?

Safer internet day is celebrated globally in February each year to celebrate the safe and positive use of digital technology. This year it was celebrated on Tuesday 5th February and the theme was 'Together for a better Internet'. For more information go to [www.saferinternet.org.uk](http://www.saferinternet.org.uk)

## Top Tip for staying safe online

### Set parental controls

Parental controls are features which may be included in digital television services, computer and video games, mobile devices and software that allow parents and guardians to restrict the access of content to their children.

Here are some links to show how to set this up:
