Michelle Hill, as Safeguarding Governor has visited both schools to review the safeguarding policies and procedures together with the Single Central Record. The Single Central Record and the Section 175 audit were reviewed by the Chair in the Spring Term.

Governors have visited the schools regularly and have named responsibilities in the School Development Plans. They have attended training in Safeguarding, Finance, Pupil Premium and GDPR. Five governors have undertaken Safer Recruitment Training. This year the schools have bought gold membership to the National Governors Association together with access to the e learning link. Governors now undertake their own e learning,

maintaining their own learning record with details of training attended held by the clerk. Governors also have access to the Key for support and learning.

The Chair of the Governing Board has also attended 3 meetings of the Board of the Learning Trust for Excellence and 3 meetings with the other Chairs of that Trust, the latter meetings accompanied by one of the Vice Chairs
