

## Academic Year Sept 2013 – Aug 2015

In April 2013 the Government announced that new funding would be available for primary PE and sport. Schools must spend the funding on improving their provision of PE and sport, as this funding is ring fenced solely for this purpose.

### Spending:

The school received a grant of £16,825 for primary school sports in the academic year September 2013 to August 2015. This money was used in a number of different ways to support the provision of improved quality of sports and PE for all pupils.

### How we spent the funding:

Activities selected	Cost
Hire of transport for attendance at competitive sports events	£70
Cover TA costs for 'gross motor skills' group	£3,900
Swimming for additional 2 classes	£2,250
Training of PE co-ordinator	£490 (includes cover costs)
CPD for staff members	£630 (includes cover cost)
Bespoke professional sport's coaching provider	£11,000
After school club	Included in above funding
Purchase of Cyber Coach Smart	£200
<b>Total</b>	<b>£18,540</b>

### Impact of primary school sports funding September 2013 – August 2015

***'Ofsted have strengthened its coverage of sport and PE within the inspector's handbook and supporting guidance, so that schools and inspectors know how sport and PE will be assessed in the future as part of the schools overall provision offered.'***

The main outcomes of the strategies adopted using the sports funding were as follows:

1. 15 children competed in city-wide heats for football and athletics – previously 13 children attended. The children won gold for football, bronze for athletics and another one. An increase and success in competitive school sport.
2. Identified improved motor skills in identified children.

3. Pupils in years 3 and 4 now go swimming.
4. PE co-ordinator has an increased skills base in PE.
5. Increased skills in Foundation PE provision.
6. Increased opportunities for professional development from external provider.
7. Partnership work in PE with sports coach to increase confidence.
8. Participation in After School Club by 10 children.

The school is making effective use of its sports funding allocation to provide coaching by an external provider for pupils in school time, lunchtime and after school. In addition by working alongside a sports coach, school staff are building their own knowledge and skills which can be utilised ensuring sustainability in the future. Leaders are monitoring the impact of this use of the funding to ensure its effectiveness.
