West Midlands B75 6TJ

7th July 2021

Dear parents/carers

This is to inform you that we have given notice to Squirrels Club who currently provide the before and after school care on the Coppice and Langley site.

Their notice period will end on 31st December 2021 and they will then no longer be able to provide this service on the schools' premises.

Following a review by governors, it has been decided that now is the time for such provision to be offered directly from the schools and this is to confirm that wrap around provision will continue to be provided on the school site once Squirrels have left.

To support with the provision offered, we are asking that anyone who is likely to use such provision complete the questionnaire available via the link below.

We are aware that due to the Covid pandemic, many parents/carers are reviewing their ways of working and thus their need for wrap around care. Home working has sometimes made it easier to drop off and collect at normal school times and thus reduce the time that children need before and after care.

Governors would like to reassure parents/carers that wrap around provision will continue and thank you for your support.
